# 29th Annual Report

## OF THE COMMITTEE OF MANAGEMENT

For the Year ending December 31st, 1927.

---

LADIES AND GENTLEMEN,

The Management Committee present their Report and Balance Sheet for the year ending December 31st, 1927.

The Income of the Hospital has again risen, totalling £659 as compared with £621 in 1926. The ordinary expenditure was £484/6/-, being £84 more than last year. 

The Matron has had a strenuous year. The number of patients treated was 120 : 76 admitted to the wards and 44 as out-patients.

In addition to ordinary repairs and renovations, a new porcelain bath has been fitted, a gas lamp erected at the gate, and an alarm bell suspended from the chimney stacks. The drainage system has been thoroughly overhauled and is now in good order.

The Committee report with sincere regret the death of Lady Walsingham, who was for many years the Chairwoman of the Ladies' Committee. The Hospital has lost one of its keenest workers and staunchest friends. The Hon. Mrs. Carpenter and Mr. W. Girling, two most regular subscribers, who will be missed, have died during the year. The Committee also regret that they have lost the services of Mrs. Seaman on the Ladies' Committee owing to her removal from the neighbourhood.

The Committee wish to recognise the untiring interest taken by the Ladies' Committee in all matters that concern the Hospital, and tender their sincere thanks to all collectors in Watton and the Villages, and also to the Hon. Auditors. They hope that a continuance of support may be forthcoming from all members of the community.

The lists published monthly in the Local Press indicate the number of gifts received during the year. Pound Week brought many useful additions to the store cupboards (see pages 11 and 12).

The Committee have been extremely gratified with the spontaneous efforts made in many directions by various Individuals, Churches, and Committees to raise funds on behalf of the Hospital, and takes this opportunity of thanking all those who have assisted in this way. The details of these successful efforts will be found under the list of Donations.

In conclusion, the Committee desire to place on record their gratitude to the Matron for her zeal and interest in the management of the Hospital and in the care of the patients.

*It was thus possible to add to the Reserve Fund £150 5% loan loan and carry forward a Balance of £22.14.4.*
